## **ERIC BRAND - ASIA HEADQUARTERS**

To better serve our customers, Eric Brand recently expanded its Asia Operations with permanent offices in Guangzhou China. At this location, our team is responsible for the overseeing the day-to-day manufacturing process, project management, sourcing and quality control for our products and projects produced with our EB partner facilities in Asia. These locations currently include China, Vietnam, Philippines, India and Thailand.

Centrally located in Guangzhou (Nansha) China, our Asia team supports the California head office by providing our customers with constant and thorough oversight of our clients' complex project demands.

## **COMPANY PROFILE**

Eric Brand is a designer and leading manufacturer of luxury furniture for both the hospitality, residential and retail markets. Represented in leading showrooms, the company is known for its use of exotic materials and a multimedia approach to design and fabrication. At its core, Eric Brand is design driven and known for supreme quality, creativity, product development, and strong internal operations.

Our services go significantly beyond manufacturing loose furniture. We supply built-in millwork, integrate LED lighting in our products and fabricate stainless steel, stone and glass. We have a large variety of proprietary products and collaborate with many top architects and interior designers, executing their designs to exacting specifications.

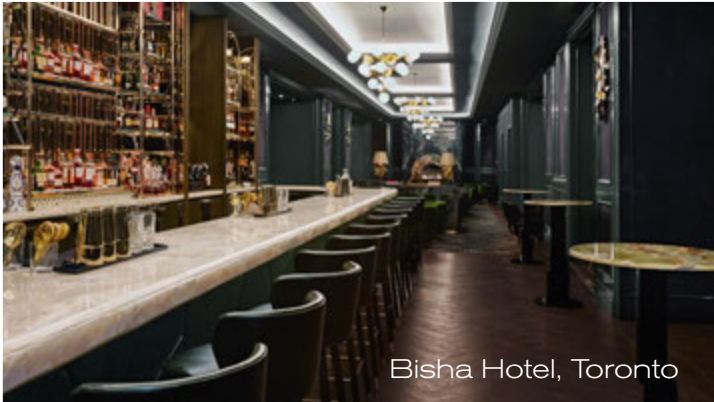

At Eric Brand, our highly technical team has an industry reputation for helping our customers increase the value of their designs and products. We guarantee that our production partners follow a strict code of ethics and operate with the utmost concern for the environment and our staff. With over 20 years' experience, we continue to ensure our products uphold the highest standards of integrity and quality.

Yinli Huang

Asia Operations Representative Yinli Huang has overseen Eric Brand's Asia Operations since 2014. Under her direction and supervision, Eric Brand's Asia staff manages all the daily operations involved in realizing and delivering the highest quality products produced with our manufacturing partners. Yinli also manages our Asia projects, customers, and local manufacturing relationships.
